

## IIPM STUDENTS VISIT VAL JHARSUGUDA

MBA, PGDEM and ADMM students from Indian Institute for Production Management (IIPM), Kansbahal visited Vedanta Aluminium Ltd on 31<sup>st</sup> March 2011. During their visit, they took a complete round of Aluminium Smelter complex (i.e. Carbon area, Potline, Cast

house area). A total of fifty students and two faculties of IIPM participated. Mr.Selva Sarveswaran of VAL and the team briefly explained about the Aluminium smelting process. Mr. Sanjeev Patnaik highlighted on the various CSR initiatives undertaken by Vedanta at Jharsuguda. During this visit, Prof. S Ghose and Mr Amit Kar expressed their deep gratitude to Vedanta for making the trip prolific. The visit has certainly enhanced their practical knowledge, he cited.
