

# IIPM CELEBRATES SILVER JUBILEE

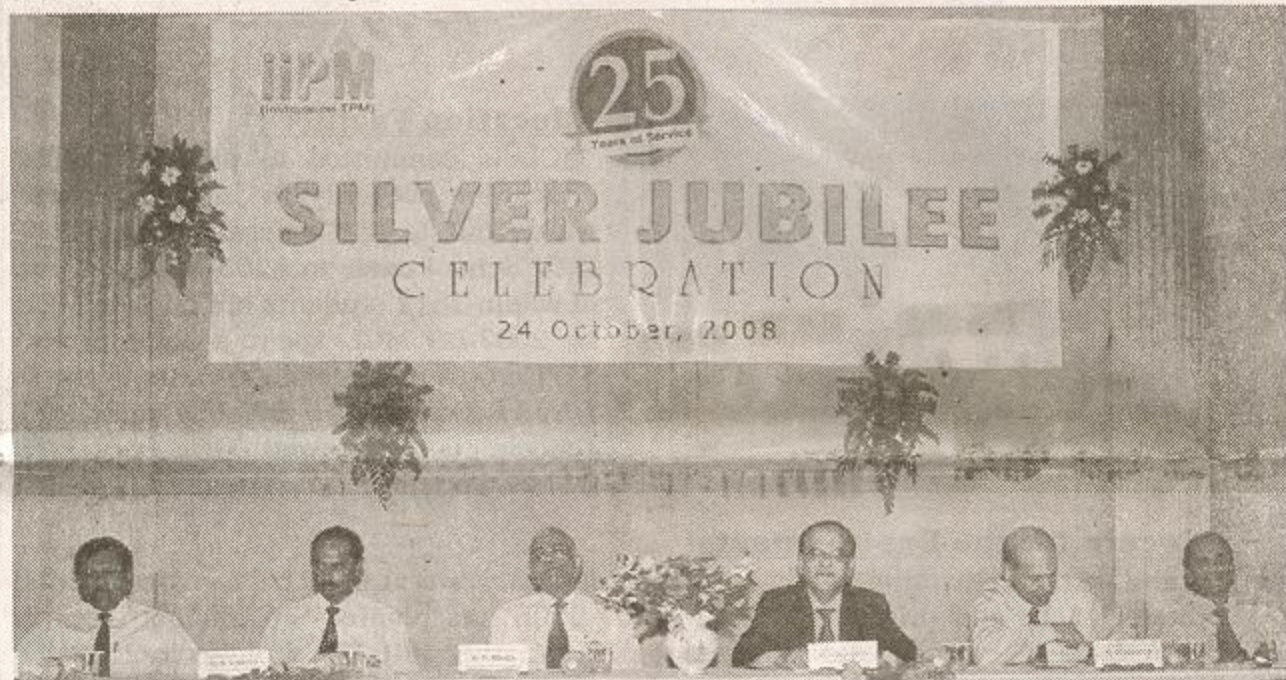

RATAN K PANI

**A**ND if you thought Rourkela Steel Plant only holds place of pride in Sundargarh district you are wrong. Located adjacent to the L&T Works is the world class Indian Institute of Production Management (IIPM) which has carved a niche for itself in providing quality global education both in house and off campus. Promoted by a group of industrial houses including ICICI, SAIL, Usha Martin and L&T, IIPM offers some unique courses not available at any other institute attracting numerous participants both from within and outside the country. Specially designed to suit the market needs both for working personnel and fresher and its ability to change the courses keeping in view changing trend, IIPM has managed to keep its distinct identity even as its gears up to celebrate its silver jubilee today. Founded as Indian Institute for Foreman Training (IIFT) in 1983, for a quarter of a century, IIPM has trained 40,000 professionals from diverse field in the area of engineer-

raised standards for the training with its rigorous programme schedules and delivery to industrial customers. The Institute responding to industry challenges and opportunities, launched new

ment (PGDEM) and Advanced Diploma in Maintenance Management & Condition Monitoring (ADMM&CM) Programme. In the year 2007 IIPM took a bold step to start Master in Business Ad-

ing and management. Another 1200 foreign participants from 90 different countries have gone through IIPM training programs, making IIPM the nation's largest provider of training and education services. The need for the IIPM grew during the 80's out of the requirement of skilled human resources by Indian manufacturing industry especially in the field of Engineering and Management practices. And since then IIPM

programs in Reliability Centered Maintenance and Total Productive Maintenance, Advanced Maintenance Management etc. Originally designed as a training institute, IIPM started a Consultancy services cell in 1991 with a commitment to provide condition based services in the area of vibration engineering, Thermography and Wear Debris Analysis. Later they introduced Post-Graduate Diploma in Engineering Manage-

ment (MBA) Course under the banner of IIPM School of Management and the name saw students thronging the place for the course. Even as IIPM completes its 25 years of its existence it looks forward to increase its tally of catering to 85 nations and 50 blue chip industries including ACC, BALCO, ITC, ESSAR, L & T, Reliance, Nuclear Power Corporation, Hindustan Lever, Indian Oil.
